

FEDERAL BUREAU OF INVESTIGATION

Date of entry 12/17/2012

On December 10, 2012, SA [REDACTED] an online covert employee (OCE), while working in an undercover capacity, signed on to the GigaTribe file sharing program via an Internet connected computer located at the FBI New York Office. Writer memorialized the session by intermittent video capture using the software program SnagIt. In addition, any download activity was monitored via the packet-capture application, CommView. All times noted in this report are approximate and reflect Eastern Time (ET):

Session Summary

Session number: NY-1409 Session Start: 10:34am
 Session End: 10:45am

GigaTribe UC name: Saltydog

Subject name: Gettinitin2012

Subject IP address: 72.227.227.138

Session Details:

OCE previously sent an invite to Gettinitin2012 that was accepted by Gettinitin2012 on December 7, 2012. Upon signing on to GigaTribe, OCE observed that the user Gettinitin2012 was online. Gettinitin2012 was sharing one password protected folder, "Videos." Gettinitin2012 communicated with the OCE, in a private message, that his password was "fun". OCE entered the password and browsed through Gettinitin2012's shared folders and files. Gettinitin2012 was sharing numerous files that had filenames indicative of child pornography (CP). OCE downloaded six video files from Gettinitin2012; all of the downloaded files appeared to depict CP.

According to CommView, Gettinitin2012 was sharing the files from the Internet Protocol (IP) address 72.227.227.138, registered to Time Warner Cable. The GigaTribe website revealed that Gettinitin2012 has been a member since 11/10/2012 and has 174 contacts.

The downloaded files, log files, and video capture file have been
